MANAGEMENT'S DISCUSSION AND ANALYSIS

Housing Authority of the Borough of Belmar

As Management of the Authority, we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended September 30, 2014. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements as presented elsewhere in this report.

A - Financial Highlights

- 1- The assets of the Authority exceeded its liabilities at the close of the most recent fiscal year by \$834,576 (net assets) as opposed to \$847,754 for the prior fiscal year.
- 2 – As of the close of the current fiscal year, the Authority's Proprietary Fund reported ending Unrestricted Net Position of \$280,810.
- 3 – The Authority's cash and cash equivalent balance at September 30, 2014 was \$79,689 representing a decrease of \$13,696 from the prior fiscal year.
- 4 – The Authority had Total Operating Revenues of \$359,692 and Total Operating Expenses of \$395,342, including depreciation expense of \$47,482 for the year ended September 30, 2014.

B – Using the Annual Report

1 – Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Authority's financial statements. The Authority's financial statements and notes to financial statements included in this Report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for Proprietary Fund types.

2 – General Purpose Financial Statements

The financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. They consist of The Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position, and Comparative Statement of Cash Flows.

The Statement of Net Position presents information on all the Authority's assets and liabilities, with the difference between the two reported as net assets. Increases or decreases in net position will serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position presents information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of unrelated cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g.; depreciation and earned but unused vacation leave).

MANAGEMENT'S DISCUSSION AND ANALYSIS

B – Using the Annual Report (Continued)

The financial statements report on the Authority's activities. The activities are primarily supported by HUD subsidies and grants. The Authority's function is to provide decent, safe and sanitary housing to low income and special needs populations. The financial statements can be found on pages 8 through 10.

3 – Notes to Financial Statements

The notes to financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to financial statements can be found in this report after the financial statements.

C – The Authority as a Whole

The Authority's Net Assets decreased during the fiscal year as detailed below. The primary reason for the decrease in net assets is the decrease in property and equipment of \$47,482 attributable to the current year's depreciation expense. The Authority's revenues are primarily subsidies and grants received from HUD. The Authority receives subsidies each month based on a pre-approved amount by HUD. Grants are drawn down based on need against a pre-authorized funding level. The Authority's revenues were sufficient to cover all expenses, excluding depreciation during the fiscal year.

By far, the largest portion of the Authority's net assets reflects its investment in capital assets (e.g., land, buildings, equipment and construction in progress). The Authority uses these capital assets to provide housing services to its tenants; consequently, these assets are not available for future spending. The unrestricted net assets of the Authority are available for future use to provide program services.

D – Budgetary Highlights

For the year ended September 30, 2014, individual program or grant budgets were prepared by the Authority and were approved by the Board of Commissioners. The budgets were primarily used as a management tool and have no legal stature. The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency.

As indicated by the excess of expenses over revenues, the Authority's net assets decreased during the fiscal year.

E – Capital Assets and Debt Administration

Capital Assets

As of September 30, 2014 the Authority's investments in capital assets for its Proprietary Fund was \$668,000 (net of accumulated depreciation). This investment in capital assets includes land, buildings, equipment and construction in progress.

No capital assets were purchased during the current fiscal year.

Additional information on the Authority's capital assets can be found in Note 3 to the Financial Statements which is included in this report.

MANAGEMENT'S DISCUSSION AND ANALYSIS

E – Capital Assets and Debt Administration (Continued)

Long Term Debt

During the fiscal year ended September 30, 2004, the Authority participated in a Capital Fund Leveraging Pool, through which the New Jersey Housing and Mortgage Finance Agency issued bonds and the funds were distributed to participating housing authorities. In December 2004, the Authority received \$194,514 to be used for capital improvements to its buildings. The outstanding debt is paid from a portion of the Authority's current capital fund grants. Further details can be found in the Notes to the financial statements.

F – Summary of significant changes from September 30, 2014 to September 30, 2015

Operating revenue increased by \$23,473 (7.0%) to \$359,692. Rental income increased \$13,783 (6.4%) as a result of management's efforts to perform accurate tenant re-certifications and maintain high occupancy rates. The agency-wide occupancy rate was 98% for the fiscal year ended September 30, 2014. HUD operating grants increased \$9,081 due to a higher proration factor applied to the Authority's operating subsidy eligibility.

Total operating expenses increased \$20,924 (5.3%) to \$395,342.

- Administration expenses decreased \$4,586 as a result of a change in the allocation of employee benefit costs which more properly allocates approximately \$5,000 in employee benefits expense to maintenance labor.
- Tenant services expenses decreased \$1,727.
- Utilities expenses decreased \$6,675 due to a decrease in natural gas consumption resulting from energy conservation measures.
- Ordinary maintenance and operations expenses decreased \$16,858 as the Authority made various major repairs during the prior fiscal year.
- General expenses increased \$7,453 due primarily to an increase of \$4,089 in bad debt expense and an increase of \$2,046 in payment in lieu of taxes (PILOT), which is the result of increased rental revenue and the decrease in utilities expense.

G – Economic Factors and Next Year's Budgets and Rates

The following factors were considered in preparing the Authority's budget for the fiscal year ending September 30, 2015.

- 1 – The state of economy, particularly in light of current world affairs.
- 2 – The need for Congress to fund the war on terrorism and the possible cut-back on HUD subsidies and grants.
- 3 – The use of the Authority's unrestricted net position to fund any shortfalls arising from a possible economic downturn and reduced subsidies and grants. The Authority's unrestricted net position appears sufficient to cover any potential shortfall.

MANAGEMENT'S DISCUSSION AND ANALYSIS

H – Contacting the Authority's Financial Management

The financial report is designed to provide a general overview of the Authority's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Executive Director, Housing Authority of the Borough of Belmar, 710 8th Avenue, Belmar, New Jersey 07719, or call (732) 681-1795.

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Housing Authority of the Borough of Belmar
Belmar, New Jersey

Report on the Financial Statements

We have audited the accompanying financial statements of the Housing Authority of the Borough of Belmar, which comprise the Comparative Statements of Net Position as of September 30, 2014 and 2013 and the related Comparative Statements of Revenues, Expenses and Changes in Net Position and Cash Flows for the years ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the appropriateness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority of the Borough of Belmar, as of September 30, 2014 and 2013, and the results of its operations, and its cash flows for the years then ended in accordance with the accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT

(Continued)

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis presented on pages 1-5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements of the Housing Authority of the Borough of Belmar. The Financial Data Schedule and the schedule of expenditures of federal awards are presented for purposes of additional analysis as required by U. S. Department of Housing and Urban Development and are not a required part of the basic financial statements.

The financial data schedule and schedule of expenditures of federal awards are the responsibility of management and were derived from and directly relate to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 2, 2015 on our consideration of the Housing Authority of the Borough of Belmar's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

HOUSING AUTHORITY OF THE BOROUGH OF BELMAR
NOTES TO FINANCIAL STATEMENTS
September 30, 2014

NOTE 1 – Summary of Organization, Activities and Significant Accounting Policies:

A. Organization – The Housing Authority of the Borough of Belmar (The Authority) is a governmental, public corporation created under the laws of the state of New Jersey to provide housing for qualified individuals in accordance with rules and regulations prescribed by the United States Department of Housing and Urban Development. The Authority is governed by a Board of Commissioners which is essentially autonomous but is responsible to the New Jersey Department of Community Affairs. An Executive Director is appointed by the Authority's Board to manage the day-to-day operations of the Authority. The Authority is responsible for the development, maintenance and management of public housing for low and moderate income families residing in the Borough of Belmar. Operating and modernization subsidies are provided to the Authority by the federal government.

B. Activities – The combined financial statements include all the accounts of the Authority. The Authority is the lowest level of government over which the Authority's Board of Commissioners and Executive Director exercise oversight responsibility. The Authority is not included in any Governmental "reporting entity" since its board members, while they are appointed primarily by the mayor, have decision making authority, the power to designate management, the responsibility to significantly influence operations, and primary responsibility for accounting and fiscal matters. The Authority has not identified any entities which should be subject to evaluation for inclusion in the Authority's reporting entity.

C. Significant Accounting Policies

a. Basis of Accounting – The accrual basis of accounting is used for measuring financial position and operating results of Proprietary Fund Types. Under the accrual basis of accounting, transactions are recognized when they occur, regardless of when cash is received or disbursed. Proprietary Fund revenues and expenses are recognized on the accrual basis, with revenues recognized in the accounting period in which they are earned and become measurable, and expenses recognized in the period incurred, if measurable. Thus, for example, proprietary funds recognized revenue in the period in which a service is provided, regardless of how long after the end of the period the revenue is expected to be collected.

Using the accrual basis of accounting is consistent with the proprietary fund focus on measuring all the costs of providing goods or services for the period and matching those costs with the revenues earned during the period by providing the goods or services.

b. Report Presentation – The financial statements included in this Report were prepared in accordance with generally accepted accounting principles in the United States of America applicable to governmental entities for Proprietary Fund Types. In accordance with GASB Statement No. 34, the report includes Management's Discussion and Analysis.

The Enterprise Fund is used for activities which are financed and operated in a manner similar to a private business enterprise where the intent is that the costs (expenses, including depreciation) of providing goods or services to its clients on a continuing basis be financed or recovered primarily through user charges or operating subsidies. All of the Authority's assets, liabilities, revenues, and expenses are reported using a single enterprise fund.

HOUSING AUTHORITY OF THE BOROUGH OF BELMAR
NOTES TO FINANCIAL STATEMENTS
September 30, 2014
(Continued)

NOTE 1 – Summary of Organization, Activities and Significant Accounting Policies (Continued):

Significant Accounting Policies are as follows:

1 – Cash and cash equivalents are stated at cost, which approximates market. Cash and cash equivalents include cash in banks, petty cash, certificates of deposit, and other investments with original maturities of less than three months from the date of purchase.

Investments are recorded at fair value based on quoted market prices. Fair value is the amount at which a financial instrument could be exchanged in a current transaction between willing parties.

2 – Collection losses on accounts receivable are charged against an allowance for doubtful accounts.

3 – Buildings and equipment are recorded at cost for all programs and depreciation is computed on the straight line basis.

4 – Repairs funded out of operations, such as painting, roofing and plumbing, are charged against income for all programs.

5 – The Authority is subsidized by the Federal Government. The Authority is not subject to Federal or State income taxes, nor is it required to file Federal and State income tax returns.

6 – Operating subsidies received from HUD are recorded as income when earned.

7 – The costs of accumulated unpaid compensated absences, including fringe benefits, are reported in the period earned rather than in the period paid.

8 – Prepaid expenses represent payments made by the Authority in the current year to provide services occurring in the subsequent fiscal year.

9 – Inventories in the Proprietary Fund consist of supplies and are recorded at the lower cost or market.

10 - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period.

11 – The Authority has elected not to apply to its proprietary activities Financial Accounting Standards Board Statements and Interpretations, Accounting Principles, Board Opinions, and Accounting Research Bulletins of the Committee of Accounting Procedures issued after November 30, 1989.

12 – The Authority does not have any infrastructure assets for its Proprietary Fund.

HOUSING AUTHORITY OF THE BOROUGH OF BELMAR
 NOTES TO FINANCIAL STATEMENTS
 September 30, 2014
 (Continued)

NOTE 1 – Summary of Organization, Activities and Significant Accounting Policies (Continued):

13 – Inter-fund receivables and payables arise from inter-fund transactions and are recorded by all funds affected in the period in which the transactions are executed.

14– Long-lived assets to be held and used are tested for recoverability whenever events of changes in circumstances indicate that the carrying amount may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on the fair value of the asset and long-lived assets to be disposed of by sale are reported at the lower of carrying amount or fair value less cost to sell. As of September 30, 2014 and 2013, the Authority has not recognized any reduction in the carrying value of its fixed assets when considering SFAS 144

15- The Authority has elected early implementation of GASB 65. Under GASB 65, debt issuance costs are expensed in the current period. This represents a significant change from the previous practice which was to record these costs as assets and amortize them over the life of the related debt.

c. Budgetary Policy Control – The Authority submits its annual operating and capital budgets to the State of New Jersey Department of Community Affairs in accordance with New Jersey statute. After the New Jersey Department of Community Affairs approves the budget, it is formally adopted by resolution of the Authority's Board of Commissioners. Once adopted, the Board may amend the legally adopted budget when unexpected modifications are required in estimated revenues and expenses. Each fund's budget is prepared on a detailed line item basis. Revenues are budgeted by source and expenditures are budgeted by expense classification within each revenue source.

NOTE 2 – Cash and Cash Equivalents

The Authority maintains cash and investments in local banks. These funds are covered by the Governmental Unit Deposit Protection Act of the state of New Jersey, which requires the institutions to pool collateral for all of governmental deposits and have the collateral held by an approved custodian in the institution's name.

Cash and Cash Equivalents of \$79,689 at September 30, 2014 and \$93,385 at September 30, 2013, consisted of the following:

	<u>9/30/2014</u>	<u>9/30/2013</u>
Checking Accounts	\$ 59,632	\$ 76,177
Security Deposits	19,241	16,406
CFP Leveraging Trust Accounts	766	752
Petty Cash	50	50
Total Cash and Equivalents	<u>\$ 79,689</u>	<u>\$ 93,385</u>

NOTE 4 – Payment in Lieu of Taxes (PILOT)

Under Federal, State and local law, the Authority's programs are exempt from income, property and excise taxes. However, the Authority is required to make a payment in lieu of taxes (PILOT) for the PHA Owned Program in accordance with the provisions of its Cooperation Agreement with the Borough of Belmar. Under the Cooperation Agreement, the Authority must pay the municipality the lesser of 10% of its net shelter rent or the approximate full real property taxes.

During the fiscal years ended September 30, 2014 and September 30, 2013, PILOT expense of \$14,891 and \$12,845, respectively, was accrued. PILOT payable was \$14,891 at September 30, 2014 and \$23,997 at September 30, 2013.

NOTE 5 – Accrued Compensated Absences

Accrued compensated absences represents amounts to which employees are entitled based on accumulated leave earned in accordance with the authority's Personnel Policy. The housing authority policy states that employees may carry forward unused vacation to the next succeeding year only while sick leave may be accumulated not to exceed 120 days. Employees may be compensated for unused vacation leave at the time of separation but may not be compensated for accrued sick leave at retirement or termination. There is no accrual for unused vacation leave at September 30, 2014 or 2013 because there are no eligible employees per the of Authority's Personnel Policy.

NOTE 6 – Pension Plan

The Authority participates in the New Jersey Public Employees Retirement System (PERS) which is sponsored and administered by the New Jersey Division of Pensions and Benefits. It is a cost sharing, multiple-employer defined benefits pension plan. PERS was established in January 1955 under the provisions of NJ SA 43:15A to provide coverage, including post-retirement health care, for substantially all full time employees of the State, it's Counties, municipalities, school district or public agencies provided the employee is not a member of another State administered retirement system. Membership is mandatory for such employees.

Contributions are made both by employees and by the Authority. Required employee contributions to the system are based on a flat rate which is determined by the New Jersey Division of Pension for active plan members. Benefits paid to retired employees are based on length of service, latest earnings and veteran status. Authority contributions to the system are determined by the PERS and are billed annually to the Authority. The Authority was required to make a contribution of \$8,758 to the system during the audit period.

The state of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issued publicly available financial reports that include the financial statements and required supplementary information for PERS. The financial reports may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, P. O. Box 295, Trenton, New Jersey 08625-0295.

NOTE 7 – Long Term Debt

During the fiscal year ended September 30, 2006, the Authority entered into a Capital Fund leveraging pool. The New Jersey Housing and Mortgage Finance Agency issued tax exempt, twenty year Capital Fund Program Revenue Bonds, 2004 Series A. The Authority's share of the funds from the bond issue pool amounted to \$200,000. The related closing costs of \$5,486 are to be amortized over the life of the bonds (twenty years). The net funds received from the leveraging pool are restricted and must be spent in accordance with the Authority's Capital Fund Budget within four years.

Repayment of the funds leveraged shall be budgeted from Capital Fund Allocations received by the Authority from the Department of Housing and Urban Development.

The following is a schedule of required principal payments for the next five years and thereafter:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2015	10,000	5,105	15,105
2016	10,000	4,679	14,679
2017	10,000	4,242	14,242
2018	10,000	3,805	13,805
2019	10,000	3,367	13,367
2020-2024	50,000	9,981	59,981
2025	15,000	706	15,706
	<u>\$ 115,000</u>	<u>\$ 31,885</u>	<u>\$ 146,885</u>

NOTE 8 – Risk Management

The Authority is exposed to various risks of loss related to torts, theft, damage to and destruction of assets; errors and omissions; and natural disasters for which the Authority carries commercial insurance. During the year ended September 30, 2014 and September 30, 2013 the Authority's risk management program, in order to deal with potential liabilities, consisted of various insurance policies for fire, general liability, crime, auto and public officials' errors and omissions. Periodically, but not less than once annually, the Authority conducts a physical inspection of its Projects for the purpose of determining potential liability issues. Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Settled claims relating to the commercial insurance have not exceeded the amount of insurance in any of the past three fiscal years.

NOTE 9 – Construction Commitments

At September 30, 2014 and September 30, 2013 the authority's outstanding construction commitments pertaining to its capital fund were not material. The costs pertaining to such commitments will be paid by grants approved and committed to the authority by the U.S. Department of Housing and Urban Development.

NOTE 10 -- Prior Period Adjustments

The prior period adjustment at September 30, 2013 is to reclassify capital fund program soft costs to hard costs. The prior period adjustment at September 30, 2014 is to correct the accrual for PILOT at September 30, 2014.

NOTE 11 – Economic Dependency

For the year ended September 30, 2014 and September 30, 2013 a substantial portion of the Authority's revenues were received from the U.S. Dept. Housing & Urban Development, which are subject to availability of funds and Congressional approval, as well as the Authority's compliance with Federal rules and regulations.

NOTE 12– Subsequent Events

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management has evaluated subsequent events through June 2, 2015 the date on which the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Housing Authority of the Borough of Belmar
Belmar, New Jersey

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Controller General of the United States, the financial statements of the Housing Authority of the Borough of Belmar as of and for the year ended September 30, 2014 and have issued our report thereon dated June 2, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the Borough of Belmar's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. . However, material weakness may exist that have not been identified.

Compliance

As part of obtaining reasonable assurance about whether the Housing Authority of the Borough of Belmar's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
